Academic Year	2017-18	Total Sports Grant Budget	£18 204	Date of this Review	September 2018
Total Number of Pupils	262			Date of next Review	

Raising Sporting Achievement

Project	Aims	Cost	Impact To-date <small>NB some projects may be on-going and long term</small>
Subscription to Chelmsford Schools Sport Partnership	Increased participation in sporting competitions and events Access to active role models and memorable sporting experiences Ongoing staff training	£995	Pupils have participated in a wide range of inter-school events: Tag Rugby Tournament, Year 4 Super Stars, Year 2 Mini-Games, Football and Netball Leagues, Year 2 and Year 5 talented pupils events. Teachers have attended training including PLT update meetings which has led to the introduction of the Children's Health Project to link PE, Science and PSHE.
Employment of sports coaches to run after-school clubs 3 clubs per week x 35 weeks	Increased variety of sports clubs on offer Increased participation by pupils in sporting activities	£4 725	Clubs have been well attended and more children have tried a wider variety of sports.
Covering the cost of travel for sporting events	Full participation in sporting events and tournaments	£1 000	Pupils have participated in a wide range of inter-school events: Tag Rugby Tournament, Football Tournament, Year 4 Super Stars, Year 2 Mini-Games; District Sports
Staff professional development in the teaching of gymnastics	High quality teaching and learning	£4 800	Teachers are more confident in teaching gymnastic lessons. Gymnastics was well taught in all classes.
Staff professional development to enhance the school curriculum: Children's Health Project	Sustainable, long-term impact on the quality of teaching and learning (PE, PSHE, Science)	£450	The project is in the process of being launched in school.
Introduction of the Golden Mile Employment of 2 Learning Support Assistants over lunchtime period	Full participation in activities that promote healthy life styles	£2 600	Introduced in Summer term 2018 to all KS2 pupils. The majority of pupils participated over the course of the week.

Improving equipment and resources: Football goal post £1 995 Socketed netball post £168 Backboards for Basketball £40	High quality equipment and resources for a wider variety of sporting activities	£3 000	New equipment has meant that school has been able to host league matches for football and netball. The more robust football goal posts are easier to manoeuvre and will last longer than the plastic ones previously used.
Improve playground markings in EYFS outdoor area	Breadth of choice for physical activities Versatility	£500	Not yet complete.

Swimming

Swimming is taught in Year 3 as a block of six lessons in the summer term at a local pool with qualified instructors. The pupils are taught in small ability groups.

Number of pupils in Year 6 (NB not all pupils will have been at Danbury Park School in Year 3 when swimming is taught)	37
Number of pupils able to swim competently, confidently and proficiently over at distance of at least 25m	35
Number of pupils able to use a range of strokes effectively	32
Number of pupils able to perform safe self-rescue in different water-based situations	32
