Cherry Class

Hello I am Mrs Stone, I teach cherry class on Monday, Tuesday and Wednesday. My favorite subjects to teach are Phonics, Science and PE. I wonder what your favourite subject is? I am a mum of two, which keeps me busy outside of school. When I do get a moment to myself, I enjoy reading. I am looking forward to getting to know you this year.

Hello I am Mrs Crouch, I teach Cherry class on Thursday and Friday. I love to teach Art, English and PSHE. In my art lessons we listen to special music which helps us to become artists, I wonder if you will find this music relaxing? When I am not at Danbury Park, I enjoy walking my dog Coco and watching my two boys play football.

Autumn 1

We have had a busy start to year 1. The children are settling in and quickly learning routines. We had fun creating cherry potions and spoke about what we would like cherry class to be like. The children suggested kindness, sharing, helping each other out, trying hard and being respectful of the classroom and each other.

In Art we have been creating drawing of vegetables. We have been outside in our school allotment spotting what has been growing.
