

Danbury Park Community Primary School Home-School Agreement

We believe that education is most effective when there is a strong partnership between school and home. This document sets out the reasonable expectations that home and school should have.

The school seeks to establish an ethos in which all pupils feel valued so that they are able to reach their full potential: academically, personally and socially. Fundamental to our thinking is the belief that the school is first and foremost a place of learning.

Two copies are enclosed per family. Please sign and return one copy to the school and retain the other at home.
