Weekly Update

It feels as if the summer term is now well and truly underway as the first of our many sporting events took place. Last Friday, we hosted the first football match in our group of the Girls' league for this year. The team played against Great Leigh's Primary School, who were excellent players. Sadly we lost 4 -1 but our girls tried hard and enjoyed themselves.

Both the girls and the boys have more matches coming up in the next few weeks and families are welcome to stay after school to watch and cheer on our team at any home game. The dates are at the end of the newsletter.

This week we also participated in the Chelmsford Schools Sports Partnership High 5 Netball Tournament at Great Baddow High School. This is the first time the team has played any matches and we came 7th overall. Thank you to the parents who supported us with transporting to and from the event.

Over the coming weeks, we have several matches arranged and we are looking forward to improving our skills and perhaps to some wins! Well done to all our teams for trying so hard and their excellent sporting attitude.

Safeguarding Mental Health and Well-being

In school we work closely with bccs, who provide us with expert counselling, support and training. The charity is also available to work with families outside school and parents can contact them directly:

Child and Family Counselling Services

Parents are now able to access direct support for their child by referring them into the safe hands of our Child and Family Counselling Services (CFCs). We have a team of highly experienced Counsellors, Specialist Child and Adolescent Counsellors and Play Therapists available within the counselling team who work in our specially adapted therapy rooms.

We offer support to children, young people and parents through talking, play and art therapy.

CFCs provides therapy to children, young people and families. We support many different issues such as:

- Self-harm
- Identity
- Anxiety
- Bullying
- Bereavement
- Parental separation and family issues or conflict.

The pathway is overseen by our Head of Child and Family Counselling Services, who is supported by a team that are both passionate about and dedicated to the wellbeing of children and young people. The team has achieved very positive and reparative outcomes for children and families.

What can you expect?

After an initial contact, we will arrange an assessment to explore the issues your child may be experiencing and will then identify which model best supports the difficulty your child may be facing.

Who do you contact?

If you are worried about your child and would like to talk to us further, please either email Catherine cmunns@bccs.org.uk or call on 07792 732206 and we will be pleased to help.

Take a moment to read about the experience a parent shared with us:

I had contacted a number of professional services to assist me in helping my daughter. At the suggestion of my daughter's school a referral was made to BCCS and it was then that I met one of their counsellors. After months of unanswered questions and "hitting brick walls" I finally had answers, structure and a profound understanding of how a small little girl's mind works.

For me, there has been nothing so worrying as watching your child struggle and the BCCS counsellor's help has enabled me to help her for which I will be forever grateful.

There are also some excellent resources available to parents on the Place2be website. Mrs Macey has been working with them and has now achieved her Level 3 Mental Health Lead award and we feel that parents might also appreciate their knowledge and expertise:

The DPSA has kindly agreed to fund workshops with the 2 Johns on 23rd May. Please keep this date free in your diaries as there will be an evening workshop for parents that we are sure you will find illuminating.

Let's work together to keep the children safe!

Attendance

Important information - Term time holidays

Improving school attendance is a key priority for all schools across Essex. Where families choose to take a family holiday during term time, this can detrimentally impact a pupil's progress and can prevent them from fulfilling their true academic potential. Our school attendance policy, available via our school website, clearly sets out the process that parents should follow if they wish to apply for leave during term time. Please note that applications should only be made, if you feel that there are exceptional circumstances which mean that the leave cannot be taken during the school holidays.

We would ask all parents to note that, where families choose to go on holiday during term time and the absences are coded as unauthorised, Essex County Council may not issue penalty notices and may instead proceed to prosecution and place the case directly before the Magistrates for their consideration in court. If found guilty by the Magistrates, parents could face a fine of up to £2,500 and/or 3 months imprisonment.

Mathletics Challenge

The winning class for the Spring Term was:

Class Eider

and the pupil was:

Isla W in Class Eider

Well done and keep up the good work!

Parking and Road Safety

Please remember to use the local roads and the school car park with consideration and care for others. **Last week, we were made aware of parents parking on the pavement in Well Lane right where families cross and blocking the road to Danbury Outdoors' entrance and barrier. This is incredibly dangerous for everyone but particularly for our older children who are walking home on their own.**

Please keep the roadway down into the car park free so that traffic can move off and onto Well Lane without causing a blockage on Main Road which then compromise the safety of the zebra crossing.

We are still looking to recruit someone to man our school crossing patrol, so please spread the word.

Please park with care and consideration for our neighbours.

CHILDREN'S
HEALTH
MATTERS

We have been contacted by the Mid Essex Alliance, part of Mid and South Essex Integrated Care System (ICS) to share this important information with you. Across mid and south Essex, there is continued pressure on local health systems. **Data shows that there is increasing paediatric emergency presentation in local A&E departments. However, for much of the time, the outcome of the attendance is recorded as self-care/advice and no treatment is given.**

As a response, the ICS has re-launched a campaign to promote the **Children's Health Matters guide**, updated with new information for winter 2022/23. The free guide was co-designed with local parents and is packed with expert advice and guidance on what to do when children are unwell with common childhood illnesses. **It explains how to treat children at home, when to see a GP or call 111, and when symptoms are more serious and you should seek emergency help.**

In addition to the CHM guide, they have a family health newsletter that families can subscribe to - subscribers get 10 weekly email newsletters each covering a different aspect of family health and wellbeing - the link to subscribe is below:

Danbury Park School Lottery

We would like to remind parents about the school lottery and thank those who regularly donate their winnings back to the school.

The Schools' Lottery is where parents can take part in a weekly draw with proceeds going to the school.

In a year we usually raise over £1 000 which we spend on special projects like the EYFS outdoor classroom and which we could not otherwise afford. Every little contribution helps!

Please visit the website and support us:

Search for Danbury Park School

You must be 18 years of age to play and tickets cost just £1 a week.

Midday Assistant Vacancies

We still have vacancies for Midday Assistants to work during the week supporting the children with their lunchtimes. This is an important and rewarding role so if you are interested, or know of someone who might be, please contact the school office for details and an application form.
