### Weekly News

We would like to say a big thank you to Mrs Farah who has donated 15 chess sets to the school. Before Christmas the School Councillors and many of our Year 6 children suggested that school should run a chess club and whilst we have a few very old sets in school, we did not have enough. So, Mrs Farah has made this possible and after the Easter holiday, I will be starting a new chess club for the upper junior children. A letter will be sent out shortly.

From next week, we are sorry but the cost of the KS2 Tuck Shop will rise to 50p. This is because of rising costs but also allows for each child to have 2 pieces of fruit. We know that they enjoy the variety on offer and there is very little waste! Please remember that only fruit and vegetables should be brought into school for KS2 snacks with a treat of a cereal bar on Fridays. The children should not be bringing in bags of crisps, chocolate or sweets.

Next week sees the continuation of the Sustrans Big Walk and Wheel event. We are encouraging families to walk to school or park further away from school and walk or cycle or scoot the last part. Please remember to do this showing courtesy for our community and neighbours by not causing obstructions or using parking designated for local businesses.

If you do come by car, please respect the one-way system that we have in the car park. This is for everyone's safety and we have been made aware that it is not being followed and is posing a danger to all users!

## Book Week

Last Friday we had a great day in school with everyone dressing up. The children enjoyed talking about who they were dressed up as and talking about the books they have been reading. We raised just over £200 from the donations so the school reading Councillors are talking with Miss Johnston about the books they think we should buy.

## Mathletics Challenge

The Mathletics Challenge is back and the children have been clocking up the minutes each week to earn a reward for the winning class over the term.

The class that made the most use of Mathletics last week was:

**Class Dove** with an amazing 25 hours 12 mins. The children have all worked hard over the last week to achieve this, so well done!

and the pupil was:

**Oliver N** in Class Dove

Well done and keep up the good work!

## Safeguarding

**Skips Safety Net** Keeping children safe online

### A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.

SKIPS Educational works in partnerships with multi-agency safeguarding partners and supporting organisations across the UK in a collective effort to keep children safe online. The organisation has provided schools with some useful information for parents including the poster opposite.

By actively engaging parents and carers in discussions about cyberbullying, it crucially reinforces positive behaviours both in and out of school amongst children and helps prevent them being dragged into situation either intentionally or inadvertently.

There is also lots of information on the 2 Johns' website:

Let's work together to keep the children safe!

## Talented and Thoughtful Children

Katie's family shared with us that she is in the Academy A Hockey team for Chelmsford under 10's.

On Sunday her team represented Chelmsford at the Essex county championship at a wet Redbridge. Winning 4 out of 5 of their matches They now go on to represent Essex in the east round next month.

Well done Katie and her team and good luck in the next round!

## Danbury Park School Vacancies

### Get Active Co-ordinator

We are looking for an enthusiastic and caring person to join our friendly, supportive midday team working 12.00pm to 1.30pm term-time only as soon as possible. We have an all-weather track around our field and the older children enjoy the challenge of trying to walk a mile every day.

We are looking for the right person to help organise the Daily Mile and encourage the children to take part. This involves being creative and setting inter-class competitions as well as adding extra challenges. We can be flexible as to days. For more information, please contact the school office.

### Midday Assistant

We are looking for a midday assistant to join our team working at lunchtimes on Wednesdays, Thursday and Fridays.

For more information, please contact the school office.

***The school is committed to safeguarding and promoting the welfare of children and expects the staff to share this commitment. All appointments are subject to an enhanced DBS check, medical clearance and satisfactory references.***

## Attendance

Part of our safeguarding duties and procedures is ensuring that when children are absent from school, we know where they are and that they are safe. Please remember to inform school by **9.20am each day** if your child is absent from school and to follow this up with a written letter of explanation on their return. If we do not know where your child is, we are required to use the emergency contact numbers you have given to school. So, it is vitally important that if you change your phone numbers, or your family and friends do, that you inform us.

The government, local authority and school take attendance seriously and school is required to follow up on irregular attendance and prolonged absences and also for unauthorised absences, so please do not be offended when we ask for proof of doctors' and dentists' appointment or ask for details of holiday bookings or delayed flights or sickness on return after school holidays. The government is also asking parents to send their children into school with mild illnesses and we would, of course, contact you should their condition deteriorate.

## Important information - Term time holidays

Improving school attendance is a key priority for all schools across Essex. Where families choose to take a family holiday during term time, this can detrimentally impact a pupil's progress and can prevent them from fulfilling their true academic potential. Our school attendance policy, available via our school website, clearly sets out the process that parents should follow if they wish to apply for leave during term time. Please note that applications should only be made, if you feel that there are exceptional circumstances which mean that the leave cannot be taken during the school holidays.

**We would ask all parents to note that, where families choose to go on holiday during term time and the absences are coded as unauthorised, Essex County Council may not issue penalty notices and may instead proceed to prosecution and place the case directly before the Magistrates for their consideration in court. If found guilty by the Magistrates, parents could face a fine of up to £2,500 and/or 3 months imprisonment.**

**In the Autumn Term we received answerphone messages and e-mails informing us that children are ill. A pattern is emerging and this often seems to happen on the day(s) before an unauthorised holiday. If we have reason to suspect that you have taken your child(ren) out of school on a holiday or excursion, the absence will be unauthorised and we will write to you. If you can prove that you travelled on the days in your original application for leave of absence or explain why school could not contact you on your home phone line or why we got the international dialing tone, then we will reconsider the classification of the absence. Please be advised that this may still lead to a fixed penalty notice or prosecution as explained above.**

## Danbury Park School Lottery

We would like to remind parents about the school lottery and thank those who regularly donate their winnings back to the school.

The Schools' Lottery is where parents can take part in a weekly draw with proceeds going to the school.

Over the past four years we have raised £4 000 which we have spent on special projects like the EYFS outdoor classroom and the KS2 garden, which we could not otherwise afford. Every little contribution helps!

**Please visit the website and support us:**

## Notification and Reminders

**New Phone System** – the new VOIP phones are now up and running using our number of 01245 224994 but please listen carefully to the options for reporting an absence or wanting to speak with the office. Please be aware that when we dial out, this may come up as a different number but will start 01245 981xxx.

**PE** - The weather has turned colder this week but we will still be doing outdoor PE as much as possible as long as it is safe. Our school uniform does specify that the children need a track suit and that this should be navy blue. It does not have to have the school logo so parents can obtain affordable versions from the local supermarkets. The DPSA also have their pre-loved option. We have noticed many children wearing their school maroon sweatshirts for PE and this is not good when the children start to build up a sweat or get damp in light drizzle and then their clothes smell. It would also be useful if children had a pair of socks for PE in their bags. We are aware that many children have coughs at the moment but we would still encourage them to participate in PE lessons and we will keep a careful watch over them. We all need to be as active as possible to stay fit and healthy!

**School Gateway** – Thank you to all the parents who have now joined the new online payment system. Please ensure that you download the app as per the letter sent out at the end of last term. Payments for school dinners and trips need to be made via this app. Please note that we are now well on our way to being a cashless school as part of *Our World, Our Future* project. By having the online system, staff need to make fewer journeys by car to the bank, thus reducing emissions and we are using less paper.

**Measles** – The Primary Health Care Trust has asked us to remind parents about the measles vaccine, which is available through GP surgeries. They are anxious to vaccinate all children to prevent an outbreak of a potentially dangerous disease.

**Free School Meals** – Due to Covid-19 we understand that your circumstances may have changed or may change in the near future and you may now be eligible for free school meals. To check eligibility please contact Essex County Council on 0345 603 2200 or for more information and online application go to <https://www.gov.uk/apply-free-school-meals>

This is the eligibility criteria ECC use:

### Entitlement and what is required

The Government set the criteria for free school meal entitlement. To be entitled, you need to receive:

- Universal Credit with an annual income of £7,400 or less
- Income Support
- Income Based Job Seekers Allowance
- Income Related Employment & Support Allowance
- Pension Guarantee Credit
- Child Tax Credit (But not working tax credit) with an annual income of less than £16,190
- Parents with Asylum Seeker status who receive support under Part VI of the Immigration and Asylum Act 1999
- Working Tax Credit 'Run-on' – the payment someone may receive for a further 4 weeks after they stop qualifying for Working Tax Credit

Please apply on the link above
