Dear Parents & Carers,

A hot end to the week but just as busy. On Monday some Year Six pupils represented the school at the District Sports field events, full results will follow after track events on Monday, good luck to everyone taking part. On Tuesday Class Goldfinch participated in a Story Garden Draw Along, virtual event, with the illustrator and author Dapo Adeola. He is the author of their book fortnight book, 'Look Up'. He is also the illustrator of this year's Summer Reading Challenge. He explained how he gets ideas for his characters and showed the process going from a photograph to stick person to illustration.

Today, Class Avocet welcomed the 'Shake it Up' theatre company, they completed whole class sessions and group work to launch their last topic at Danbury Park on Shakespeare. We look forward to welcoming you to the Sports Day on Tuesday 17th June, please note the car park will be **CLOSED to ALL** parents on this day. All children should wear their PE kit to school and all jewellery should be removed.

Wishing you a lovely weekend,
Sam Jones

Sun Hats

As the weather starts to improve, please provide your child with a sun hat to provide protection at break and lunchtimes from the sun.

This week we were thrilled to take delivery of thirty Chromebooks funded by the DPSA, the children (and staff) were very excited to use these for computing lessons and to support the wider curriculum. Thank you very much to everyone who helped fund these by volunteering at or supporting a past DPSA event. Our next big event is the Colour Run and Summer Fayre, if you are able to help, please see details below:

Please note, only simple analogue or digital watches should be worn in school. No Fitness Trackers or Smart Watches please.

Attendance Matters

We are seeing an increasing amount of requests for Term Time Absence forms. Please note it is very unlikely any term time will be authorised. Ten sessions of unauthorised absence within a ten-week period, will result in a penalty notice.

So, why is it so important to attend school every day?

Learning is a progressive activity; each day's lessons build upon those of the previous day(s). If a child misses just 1 lesson, they are already playing catch up. School's timetables are jam packed each week and there is sadly just not the time to re-cover what is missed in the same detail for individual pupils.

The Essex SEND Roadshows are back in the summer term.

Are you a Parent/Carer of a young person with special educational needs and disabilities (SEND) and want to know what support is available in your area? Come along to one of the Essex Local Offer Roadshows. Meet representatives from across education, health and social care as well as local support groups.
