Friday 27th June 2025

Dear Parents & Carers,

This morning, the children spent time in their new classrooms with their new teacher and classmates. All the children made a great first impression! It was lovely to welcome our new EYFS children and their parents as well this morning.

It has been assessment week in most classes this week. Year 6's missed this as their SATs were enough assessments! After completing their assessments the children covered lots of other areas of the curriculum. Class C, worked in groups to bake bread, all loaves were delicious. Class H and E, have been using clay to make animals, fish in Class H and parrots in Class E. Year 2's have been decorating poems and painting jungle animals ready for their end of year assembly.

On Wednesday after school children from Class C sold 3D printed objects and bracelets and kindly donated half of their profits to the DPSA. Thank you to them all.

I look forward to seeing many of you tomorrow at the Summer Fayre and Colour Run, it looks like we will be very lucky with the weather. A massive thank you in advance to everyone who helped in the planning, set up or running of this event.

Wishing you a lovely weekend,
Sam Jones

Buzz in the City

Yvonne from Farleigh Hospice led an assembly on Tuesday, giving the children an age-appropriate awareness of the work Farleigh Hospice do. She revealed the location of our school bee - 'Issy-bee'. She will be in Barclays Bank on Chelmsford High Street from the 5th July to the beginning of September. I have set the children a challenge to find our bee and send a photo into school via admin@danburypark.essex.sch so we can create a school swarm of bees display in September.

Parking

When parking in the Danbury Outdoors car park, can I remind you to park considerately and safely, especially if you are attending an event after school. On Wednesday, due to the Year 6 fundraiser, a parent was unable to move her car and was therefore late to a medical appointment and a member of staff was late collecting her daughter from school as her car was blocked in.

50th Celebration and Picnic Afternoon Friday 18th July

Children will be able to order a packed lunch for the picnic afternoon. Further details will be sent in a letter next week.

House Point Winners

A convincing win for Jungle Owls this week, well done to all Jungle Owls two weeks in a row!

Last chance to enter the June Super Draw....

Attendance Matters

We are seeing an increasing amount of requests for Term Time Absence forms. Please note it is very unlikely any term time will be authorised. Ten sessions of unauthorised absence within a ten-week period, will result in a penalty notice.

So, why is it so important to attend school every day?

Learning is a progressive activity; each day's lessons build upon those of the previous day(s). If a child misses just 1 lesson, they are already playing catch up. School's timetables are jam packed each week and there is sadly just not the time to re-cover what is missed in the same detail for individual pupils.

Please note, only simple analogue or digital watches should be worn in school. No Fitness Trackers or Smart Watches please.

Sun Hats

As we are now experiencing a heatwave, please be reminded to provide your child with a sun hat to provide protection at break and lunchtimes from the sun.

Dates for your diary:

30/6 – Year 2 to Mini Games (PE Kits to be worn)

02/07 – Class H and J Trip to Holland on Sea
